Re: Special Municipal Employee

Dear Honorable Members:

As I continue to push forward with the privatization of Heritage State Park, certain professional services may need to be garnered.

The Order before you will allow the North Adams Redevelopment Authority to access part-time, intermittent or consultant based professionals to aid the Authority during the process of privatization/lease negotiations.

I respectfully request adoption of the following Order as presented.

Sincerely,

Richard J. Alcombright
Mayor

Re: speed of traffic on North St.

It has come to my attention through a few residents that the speed of traffic on North St. is becoming an issue. I would like to have the public safety committee and traffic commission review some possible remedies.

Respectfully submitted,
David Bond
