 Parking Meter Reserve to Capitol Items

Dear Honorable Members:

The order before you is asking to transfer \$49,860.75 from the Parking Meter Account for the second payment of a three year lease on three police cars and a fire chief vehicle. The interest rate on the lease is 6% and the lease can be bought out at any time. The lease consists of three equal annual payments and we will own the vehicles at the end of the lease with a buyout of \$1.00 per vehicle.

Re: Appointment to the Planning Board

Dear Honorable Councilors:

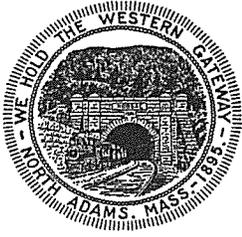

It is with great confidence that I recommend the appointment of Jay Walsh to fill a vacancy on the Planning Board to expire February 1, 2016.

Jay is a local business owner and comes to the board with significant experience in agriculture, energy, sustainable community development and urban design. Additionally, Jay has been a very significant part of the Vision 2030 discussions.

I respectfully request confirmation.

Sincerely,

Dear Fellow Councilor's

I have received a request from the Mayor asking Council to reconsider Council Rule # 8 **Filing of Papers**.

Changing the time of submission of papers was at the request of some Councilor's, it was expressed they would like to receive papers earlier, allowing them more time to review papers that were coming before Council.

The Mayor would like all papers to be filed with the Clerk no later than 12:00pm on Thursday preceding a regular meeting.

If this is Council pleasure, Council Rule # 8 will need to be amended to reflect the change.

Respectfully submitted;

Lisa M. Blackmer
Council President
